

**U.S. DEPARTMENT OF JUSTICE
OFFICE ON VIOLENCE AGAINST WOMEN
ANNUAL PROGRESS REPORT FOR
STOP VIOLENCE AGAINST WOMEN FORMULA GRANT PROGRAM**

Brief Instructions: This form must be completed for each STOP Violence Against Women Formula Grant Program (STOP Program) subgrant received. The grant administrator or coordinator must ensure that the form is fully completed. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All subgrantees should read each section to determine which questions they must answer, based on the activities supported under this subgrant during the current reporting period. Sections B and F of this form must be completed by all subgrantees. Subsections A1 and C2 must be answered by all grantees. In sections D, E, and subsections A2, C1, C3-C7, subgrantees must answer an initial question about whether they supported certain activities during the current reporting period. If the response is yes, then the subgrantee must complete that section or subsection. If the response is no, the rest of that section or subsection is skipped.

For example, 1) if you are a victim services agency providing training and victim services with staff funded under this grant, you would complete A1, A2, B, C1, C2, D, and F (and answer 'no' in C3-C7, and E1-5); or 2) if you are a law enforcement agency receiving funds to pay for staff who provide training to other law enforcement, you would complete A1, A2, B, C1, C2, and F (and answer 'no' in C3-C7, D, and E1-5).

If you are required to provide a match for your STOP Program subgrant, report on activities supported with this match. The activities of volunteers or interns may be reported if they are coordinated or supervised by STOP Program-funded staff or if STOP Program funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions which contains detailed definitions and examples illustrating how questions should be answered.
